THE BRITISH SHIP ADOPTION SOCIETY

The Society's A.G.M. was held on H.Q.S. *Wellington* in November, when it was reported that steady progress had been maintained during the year. At 30th June, 1964, there were 816 ships and personal links in the movement, ten more than at the same time last year.

New Company Links

The *Clan Menzies* is now "adopted" by the Streatham Hill & Clapham High School, Junior House, 28, Palace Road, Streatham, S.W.2, the *Clan Macdonald* by Ridgewell C.E. School, Halstead, Essex, and the *Clan MacLay* by Peel Hall County Primary School, Ashurst Road, Wythenshawe, Manchester, 22.

Withdrawals

The Tweed Heads Primary School, New South Wales, Australia, linked with the *Argyllshire*, and the Sandbank School, Argyll, which enjoyed a 'personal' association with Chief Officer A. S. Grant, have had to withdraw from membership.
