Cadets' Achievements

On 27th July, Reardon Smith Nautical College, Cardiff, was the scene of great activity; it was the end of term and prizegiving day. From B. & C., Cadet A. J. Morrison, now aboard *Clan Malcolm*, was awarded the English Prize, Cadet J. E. Ikoluot the Prize for being 'Best Junior Leading Cadet', and Cadet R. E. Fisher the Seamanship Prize, which was a telescope presented by Blue Funnel Line. Our congratulations go to these three young men on their successes.
