NOT BY BREAD ALONE

Anyone who has anything to do with the sea and ships has heard of The Missions to Seamen and recognises the invaluable service they provide for seafarers all over the world. *Not by bread alone*, a review of 1966 which includes the 111th annual report, contains some interesting facts about the work being undertaken and gives a helpful list of addresses of the Flying Angel in the U.K. and overseas.

The review can be obtained from The Missions to Seamen, Radnor House, Norbury, London, S.W.16, price 2s. post free.
