STAFF EXTRA Badminton final

The final act of the 1971-2 badminton season was the annual fixture between the teams of the London and Southampton offices.

This year the fixture was at Southampton and ground advantage duly played its part, the home team running out winners by 6-2.

The London team is keenly looking forward to obtaining revenge next season, reports A. H. Mitchell.

Engineering diploma

R. S. Wheeler has gained the Ordinary National Diploma in engineering—examination in naval architecture, electrotechnology and power plant.
