Clan Macnab
The Clan Line general cargo vessel *Clan Macnab* does not appear in the crew lists above. The vessel was damaged by an engine room explosion which took place while she was in port at Aden, September 9. She subsequently returned to the United Kingdom.

The deaths of four crew members resulting from the incident are recorded in our obituary column, page 14 of magazine. CLANSMAN joins the staffs of all B&C companies in extending condolences to the relatives and friends of the deceased, and sympathies to other personnel who were involved in the incident.
