

Catering Cup Presentations

During his visit to the *Pendennis Castle* on 25th April Mr. Bernard Cayzer presented the Mail Ship Catering Efficiency Cup, together with a cheque for the ship's Sports Club, to Captain G. W. B. Lloyd and congratulated all who had contributed to the success of the *Pendennis Castle* in this field.

A few weeks earlier a similar ceremony was held in the London Docks when Mr. Bernard Cayzer presented the Cup awarded to Intermediate Vessels to the *Rhodesia Castle*.

The Lady in White

Mrs. Perla Gibson, who will be remembered by thousands of servicemen who heard her sing as they sailed in and out of Durban in troopships during the last war, arrived in Britain by the *Transvaal Castle* on 29th March.

On the quayside at Southampton as she disembarked two dock workers called out to her and said they had been on board ships at Durban and heard her sing. After visiting her family in England, Mrs. Gibson sang at the Reunion of the Burma Star Association at the Royal Albert Hall on 4th May.

Many Happy Returns

Captain N. M. Graham celebrated his Silver Wedding Anniversary on 23rd April while on leave from the *Clan Ferguson*.
