

Ocean Travel Mermaid "Marina" caused quite a stir on the Stirlingshire and she is "captured" here by (left to right) Purser/Chief Steward B. J. Bryant, Chief Officer J. B. Woomble, Chief Engineer S. M. Steel and Captain G. B. Thomson. Paula McDougal, of Mombasa Office, is chief zipper-in and accompanies the mermaid wherever she goes as, once in her tail, she cannot move
