

Ship Sale

The Clan Urquhart has been sold for breaking up to Chin Ho Fa Steel & Iron Co. Ltd. of Taipei, Taiwan; delivery is expected in March/April. Clan Urquhart, 9,726 g.r.t., was completed in January, 1944 by the Greenock Dockyard Company. She was fitted with steam reciprocating engines with Baur-Wach exhaust turbines, built by John G. Kincaid & Co. Ltd., and was refrigerated throughout. The vessel was transferred to Houston Line in October, 1960.
