

**CADETS GET  
SEXTANT  
GIFT**

*Mr. F. Croning, father of second officer F. M. Croning who was killed in a motor accident in Ceylon, has presented his late son's sextant to Good Hope Castle. Captain Charnley (second right) writes: "Already the sextant has been put to very good use and will prove a valuable asset to the cadets in their training. The sextant could not have been put to a more fitting use and one through which Mr. Croning will ever be remembered"*
